Praeceptors Will Be Distributed Soon To Students And Faculty

To Be Dedicated To Founders Of Institution; Comstock, Livingston And Lord

The 1934 Praeceptors will probably be ready for distribution the latter part of next week. This year's annual is dedicated to the founders of the institution, S. G. Comstock, Dr. Frank Weld, and Dr. Livingston Lord.

The art motif, cartoons, cover design, etc., are representative of the old-fashioned book, but the method used in printing the book is the most modern. With the idea of presenting the College at work, the 1934 Praeceptor will create an unusual effect, both in pictures and typography. Activity in its characteristic setting has been stressed throughout the entire book. Even faculty members are no longer individually paneled, but will be shown in their offices in informal groups.

Effort has been made to show, by pictures, the activities of the organizations. One will find emphasis on the idea of showing activities rather than showing faces, though each organization page lists all members. Each student who has his picture in the Album section of the year's annual has been given special attention in that each picture has been mounted in an individual frame. The activities, home towns, majors, and minors of the juniors and seniors are listed, while the sophomores and freshmen will have only the home towns and courses pursued listed.

Many novel innovations have been put to work in compiling the 1934 Praeceptor. These have been carried out to a marked degree, especially in the scenic, feature, and activity sections and the cover.

Never Be Discouraged Advice Of Dr. Duniway

Advocates Peace For All National Powers Except In Case Of Defense

Dr. C. A. Duniway, professor of history at Carleton College, spoke in chapel May 16 on "World Relations and Peace."

Dr. Duniway said that the young people of today do not hold the world in their hands and they will not be able to make over a world that has been in the making for many thousand years. He insisted that nations should disavow war as an instrument of national policy.

He warned the student body never to be discouraged, to always be patient, to continue to work, and to aspire for peace always.

Kise To Give Address At High School Graduation

On Thursday evening, May 31, Mr. Kise will give a commencement address at Mapleton, N. D. He will speak on "The Challenge to the Graduates of 1934." At Hendrum, Minn., Friday evening, June 1, he will address the graduates on the subject, "The Graduate as a Citizen of the World."

Women's Style Show Of Spring Outfits

Scene To Be In Exclusive Dress Shop As Planned By Jean Frost

Featuring new spring outfits, the Associated Women Students will present a Style Show sometime next week. Originally scheduled for this morning, postponement was necessary. The show is to take place in an exclusive dress shop with Aileen O'Laughlin as manager. Seven different types of apparel are to be featured by College women. Wash dresses, sport clothes, dinner gowns, informal dresses will be modeled.

Appropriateness is to be stressed with each model, and accessories emphasized. The committee in charge includes Jean Frost, Gretchen Rehfeld, Signe Olson, Mary Lou Umhoefer, Mabel Peoples, and Eleanor La-

ALUMNI, NOTICE!

Plans are being made for the Alumni Banquet to be held in Comstock Hall on June 4. Plans are also under way for the Alumni Annual, which is to be held in the large gymnasium after the banquet. This will be the largest spring homecoming of alumni in the history of the school. Jack Mills' orchestra will furnish the music. On page 2 will be found a blank to fill out to make reservations for the banquet.

Inter-Sorority Tank Meet Won By Psi Deltas

Joe Edlund And Naomi Vinette Awarded Ivan Prestegaard Medals

The first annual inter-sorority tank meet was held yesterday at 4 o'clock. Teams were entered from the Psi Delta, Pi Mu Phi, and Gamma Nu sororities. The meet was won by the Phi Delta Kappa's with a total of sixteen points. The Gamma Nu's amassed thirteen points as their total to come in second. Third place was captured by the Pi Mu Phi's with ten points.

Individual records are as follows: diving—Vinette, first; Peoples, second; back crawl—Gates, first; Beaty, second; free style—Vinette, first; Quande, second; Glasgow, third; crawl—Vinette, first; Peoples, second; Gates, third; plunge for distance—Vinette, first; Robertson, second; Rehfeld, third; underwater swim—Vinette, first; Peoples, second; Williams, third; diving for coins—Rehfeld, first; free style relay—Gamma Nu's first; Pi Mu Phi's, second; Psi Delta Kappa's, third; diving—Vinette, first; Peoples, second.

After the meet, Miss Frick awarded the Ivan Prestegaard Memorial Medals for diving and swimming. Joe Edlund received both the medal for swimming and the medal for diving for the men, and Naomi Vinette received both for the women.

From two o'clock to three-thirty Thursday afternoon, the various departments of the Training School were open for parent visitation. There will be a Parent-Teachers meeting at 3:30 in the Kindergarten room. The program for next year will be discussed and committees will be appointed. Mrs. R. G. Price will preside.

McLearie Loses In Close Battle Against A. C. Star

James McLearie, Coach Nemzek's star dash man, lost two thrilling battles to Fritz Hanson, speed king of the N. D. A. C., last Saturday during the May Festival at the A. C. track. Before several thousand spectators, Hanson squeezed out a victory in the 100-yard dash when he came in less than a yard ahead of McLearie. The 100 and the 220 runs were special features of the day's program. A tenth of a second existed between the time of the two runners, Hanson being clocked in 10 flat, McLearie in 10.1. In the 220 Hanson was pushed by McLearie, but won out by several yards, the time being 22.6 seconds.

McLearie played the iron-man stunt Saturday in running five races. Before competing with Hanson, he ran two 100-yard dashes at the M. S. T. C. meet on Memorial Field. Leaving immediately from the Moorhead meet, he raced the two special matches against Hanson at the A. C. field. Returning, he ran as a member of the half-mile relay team which carried off the honors for Moorhead in an exciting finish against Wahpeton.

Perhaps the running of the two races before competing with Hanson had an effect on the results. McLearie appeared to be tired after running the century against Hanson. Whether true or not, a better opportunity will be had to compare them when the two meet again tomorrow at the track and field meet to be held at the University of North Dakota at Grand

MacLean Speaker At Cornerstone Laying

New Breckenridge High School Dedication Services May 14; Booher Also Present

Monday, May 14, President MacLean and Henry Booher journeyed to Breckenridge for the laying of the cornerstone of the new high school building. Mr. Booher is to be the coach at the Breckenridge high school next year. The building will be very complete and commodious; it will also be fire-proof, being made of brick and a Bedford stone finish. The campus will include three blocks.

Superintendent Gilbertson was in charge of the program, and the pupils in the public schools marched over to the site. The high school classes held a part in the program, each depositing something in the box. President MacLean was the main speaker on the program.

His talk began with a history of the cornerstone, which, he said, does not mean much in present day construction, but four or five thousand years ago was an important feature in Egyptian construction. The Egyptians constructed stone pyramids which were orientated exactly north and south, and the seams between the blocks of stone were so exact that one could not stick a knife between them.

The cornerstone was a great stone placed at the corner of the foundation and it formed a bond between the two sides. Its exactness meant much to the construction of these pyramids.

After this history, he stated that education was the bond which united social groups into a society with a definite purpose. He quoted from the Northwest Ordinance of 1787, "Religion, morality, and knowledge being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged."

He also quoted, "The stability of a republican form of government depending mainly upon the intelligence of the people, it shall be the duty of the legislature to establish a general and uniform system of public schools," from the Minnesota constitution. He also brought out that this new building was not only an opportunity but also a challenge for the youth of Breckenridge.

Art Club To Sponsor Exhibition And Tea

Creative Work Of Related, Fine, And Manual Arts Will Be Displayed In Art Room

The annual Art Exhibit in the art room and tea in Ingleside will be sponsored by the Art Club May 24, from 2:00 to 5:30 in the afternoon. All students and faculty members are invited to attend both the tea and the exhibit. For the benefit of the townspeople, the exhibit will be continued from 7:00 to 9:30 in the evening of the same day.

At this time, creative work of the Related, Industrial and Fine Arts classes will be displayed. The contributions of the Fine Arts classes includes the following: original designs, colors, illustrations, landscapes, figure posing, compositions, block-printing, batik, and outdoor sketchings, accomplished through the mediums of water colors, tempera, pencil, crayons, pen and ink, pastels, and charcoal.

The Related Arts department will display work in leather, plaster paris, book binding, gesso work, decorated maps, woodwork, soft toys, masks, and pottery.

The Industrial Arts department will have on display wood, metal, and printing. One interesting piece of work is a lamp, made by Harold Matson, cut of four hundred different pieces of wood.

Members of the Art Club will act as hostesses and demonstrators during the afternoon and evening. Mrs. MacLean, Miss Lommen, Miss Lumley, Miss Leonard, and Miss Dahl will be at the tea table. Dorothy Hoel, Roseltha Nesheim, and Elaine Magnuson will furnish the musical entertainment.

Region Six Track Meet To Be Held On Memorial Field

The Memorial Field of the Moorhead State Teachers College will be the scene of unusual activities tomorrow afternoon. The event will be the regional track meet for Region Six.

The meet this year will include entries from a large number of schools throughout the region and gives promise of being one of the closest and hottest contested meets ever to be staged on the local cinders. This opinion is based on the results of the district meets held last week in surrounding cities. A comparison of these results reveals that the various events in each district were run off in almost identical time.

The outstanding individual performance of the day is expected to be turned in by Sentry of Little Falls. This lad specializes in the century dash and the broad jump, doing the former in 10.2, and consistently clearing 21 feet in the latter.

The outstanding favorite to capture the team championship is Crosby-Ironton, with Herman and Detroit Lakes as close competitors. Herman may prove the most serious threat to Crosby-Ironton's reign, as it has the largest number of men qualified. Pelican Rapids may be classed as the "dark horse" of the meet because of the fact that it captured five first

Chief Justice Devaney Will Be Speaker For Graduation Exercise

Pageant, "The Portal," Feature Of Importance With Theme Of Pilgrims Progress

The climax of the commencement season will be reached Tuesday morning, June 5, when the graduation exercises will be conducted in Weld Hall. Chief Justice John P. Devaney of the Minnesota State Supreme Court will present the commencement address. Justice Devaney has chosen as his subject, "Present Trends in Government."

Last year the custom of using outstanding Juniors as ushers during commencement period was instituted; this idea will be carried out this year with the addition that the ushers shall wear "gray gowns." The students selected by the faculty committee are as follows: Ella Aune, Julian Bjerkness, Jack Bridges, Alwin Cocking, Edward Eastman, Ethel Erickson, Jerome Johnson, Nina Jorgensen, Arnold Kittleson, Edmund Lee, Russell Monson, Nadine Madsen, Orvin Richardson, Ruth Stenerson, Lorna Strand, Charlotte Stark and Irene York.

Sunday evening, June 3, Rev. Dr. W. H. Boddy, pastor of the Westminster Presbyterian church in Minneapolis, will deliver the Baccalaureate address in Weld Hall auditorium. His subject is "What Men Live By."

An outstanding feature of this year's commencement program is the pageant, which will be given Monday, June 4, at 4:00 p. m. The pageant is named "The Portal," and it pictures the scenes of Pilgrims' Progress. It consists of three themes: first, man's relationship to a higher force; second, man's relationship to a discipline; and third, man's relationship to man.

The symbolic characters, such as faith, youth, keeper of the gate, good will, and the giver of the scroll, aid in the development of the theme.

When the scene opens the character youth is questioning the bringing of gifts to the altar. The third scene brings out the work and play of all nations. The pageant closes with the recognition service for those students judged outstanding in the special college activities during the year by a faculty committee, followed by the introduction of the Seniors in the Alumni Association.

Invitational Track Meet To Be Run Off Today

This afternoon at 2:30 the Baby Dragons will play host to an invitational track meet to be held on Memorial Field. Coach Chet Gilpin of the Teachers College High School has made the necessary preparations for the meet.

Probable entries will come from Moorhead, Hawley, Glyndon, Dilworth, Hitterdal, and North Dakota State College high schools. Entries from several other schools may also make their appearance. Special events, in addition to the regular ones, will include an extra relay, a mile medley, and probably a 440-yard relay and a 50-yard dash for junior high school boys.

Mr. Gilpin has hopes of making the meet an annual affair for the smaller schools and if possible to establish it as the annual Baby Dragon Relays.

LAMBDA PHI INITIATION TUESDAY IN INGLESIDE

The following will be initiated into Lambda Phi Sigma, local honorary educational fraternity, Tuesday, May 22: Martha Atkinson, Moorhead; Etta Cauthers, Moorhead; Clara Gronlund, Fargo; Grace Henderson, Roseau; Margaret Loff, Battle Lake; Veronica McCarty, Fargo; Ruth Olson, Dalton; Signe Olson, Fargo; and Vincent Schneider, Davenport, N. D.

Initiation will be held at 5:30 in Ingleside and the dinner at 6:15 in the Hollyhock room. The committee in charge are: banquet—Ann MacDonald, chairman, Helen Friese, and Mary Beaty; ceremonial room—Doris Johnson, chairman, Myrtle Nelson, and Nyal Dokken; program—Anna Hood, chairman, Ella Aune, and Antoinette Henderson.

FRESHMEN AND GREEN CAPS

We who have spent this year as members of the Freshman Class of 1933-34 have heard many comments as to what we should do, what we should not do, and what we should be made to do. One of the most mentioned subjects in the made-to-do class is that of Freshmen being forced to wear the green cap. Well, why not? The writer, for one, is in favor of such a thing. The tradition of Freshmen wearing the green cap should be revived or resurrected from the grave where it was placed by "Old Man Depression."

The upper classmen say that we as Freshmen have been too cocky, if one may use the word, around the school this year. The wearing of the green cap would be a little discipline to start the Freshmen on the right track. If they still persisted in being cocky to an over-amount, it would be the duty of some upper classmen to set those Freshmen on the right road as to the principles and ideas of this college in order that they might lead a more fruitful and beneficial life while in college.

The caps could be worn from the opening of school until Homecoming, when a contest of some kind might be held between the Freshmen and Sophomores. If the Freshmen won the contest they would be through wearing the green caps, but if they lost they would continue wearing them until the close of the fall term. How does that sound to you, Freshmen, who will be Sophomores next year?

COOPERATION IS NECESSARY

There is no doubt that the one necessity for group success besides talent is cooperation; and the better the cooperation is, the higher the success will be.

We all know that there is sufficient talent in the Freshman class, and certainly in the whole college, to make the editing of the MiSTiC an easy matter. But it is cooperation that we lack. To be sure, we have a MiSTiC, and it has been successful this year; but the reason for asking for more cooperation is twofold. First, we need cooperation to make the editing of the MiSTiC easier for those who do work on it; and second, we need it to make the MiSTiC still better.

In considering the first reason, we must say that there is no doubt that some of the staff have had more to do this year than should be necessary in a school the size of ours. Instead of counting the students who work on journalism by ones, we should be counting them by tens. We have the talent, but where is it? It must be sleeping within the students who possess it. The only way to discover talent and to make use of it is to cooperate and work with the rest until you find wherein it lies.

We wish for a still better MiSTiC because we all are (or should be, at least) interested in furthering the good qualities of Moorhead State Teachers College. Naturally, with more students working, we can have more ideas to work with; and, perhaps, we can even raise the standard of the MiSTiC. The old saying is that two heads are better than one; so let's be sure that all of us put our best into the task of helping raise the standards of our school.

From The Editor's Semicircle

The first thing we noticed this week was the regular editor running around in his tennis clothes. Maybe he likes the relaxation.

That was some track meet here at the College last Saturday.

Freshmen, we hate to mention this subject, but we have praised your work throughout the year, only to discover that some of the Freshmen have not paid their dues. Freshmen, can't we clean up this matter before school closes for the year?

We hope that this paper meets with your hearty

The Open Column

THINKING FOR YOURSELF

Following the crowd is not always the best policy; original and self thought never harms a person. For application — at class assemblies the students are far too willing to accept and pass any suggestion for which they have not the least intention of supporting or observing. The extreme on the other hand, of course, would be the person who would never agree and in this way hold up any class action, but careful consideration might prevent unpopular motions from being passed. Could it be put before the students in form of a plea that they, as individuals and as a class, support all actions which they pass by cooperating with the class officers? —M. V.

Then and Now

One Year Ago

Representing the Alumni Association of M. S. T. C., Leonard Erickson of Fergus Falls presented a plan to the student body for the construction of an archway at the entrance of the Campus to be sponsored jointly by the Alumni Association and the student body.

"In view of the courageous action taken thus far," he stated, "it is unthinkable that we falter now; we must now proceed to the completion of the project for the bigger and better M. S. T. C."

Two Years Ago

With the preliminaries to be run off this morning and the finals this afternoon the Dragon track team is busily engaged in the track meet against Jamestown and Valley City. The finals are set for 2:30 on the Memorial Field track. With several veterans "in the pink," M. S. T. C. is favored to make a determined assault on the Vikings and Jimmies.

Three Years Ago

Freshman Platform of 1931:

1. Five hundred Freshmen in 1934.
2. Every Freshman in some extra-curricular activity.
3. Every 1930-31 Freshman a degree student.
4. Every Freshman back next year to maintain the democratic spirit of his Alma Mater.

Four Years Ago

The name contest closed last night, and the student body voted on the names which had been submitted this morning. The name selected and the winner of the contest will be announced in next Friday's MiSTiC.

The names thus far considered by the committee are: Dragons, MiSTiCS, Trojans, Eagles, and Spartans.

Exchanges

The Winonan, State Teachers College, Winona, Minnesota.

The International Relations Club recently admitted seventeen new members thereby increasing its total membership to thirty. This club has been active this past year, sponsoring two important projects, representing France in the Model League of Nations, sponsored by St. Catherine's College, and challenging Cambridge debaters.

The Gustavian Weekly, Gustavus Adolphus College, St. Peter, Minnesota.

The Gustavus Adolphus College choir, under the leadership of Adolph Nelson, left Sunday, April 8, for its annual spring tour. The choir will be en route for sixteen days visiting five states.

The Manitou Messenger, St. Olaf College, Northfield, Minn.

With the publication of their platforms early this week, candidates for the office of student body president opened their campaigns. The final election will be held next Monday, from 10:20 to 5:00 at the Old Main.

The Red and Green, State Teachers College, Minot, North Dakota.

The Letterman's Club aroused the interest of the student body into active participation in a state-wide drive for the purpose of obtaining a new physical education building for the Minot State Teachers College.

Elizabeth Albrecht and Kathryn Feyerelsen were off Campus over the weekend, making personal applications for teaching positions for next year.

Martha G. Anderson, a graduate of the College, was married last Friday,

College High School To Have National Society

A charter of the National Athletic Scholarship Society of the Secondary Schools was granted to the College High School on April 28. The purpose of this organization is to foster the development of scholarship, sportsmanship, and leadership among the boy athletes of secondary schools.

The qualifications for membership into this society are: the member must have earned at least one letter in one of the four major sports or two letters in a minor sport, and he must have had an average for three consecutive semesters higher than the general average of the school. The average set by College High School is at least a B plus which is higher than the national average. Two students from College High, who are to be announced later, will become members of this organization this year.

With The Alumni

The Alumni board met Saturday, May 5, at 2 p. m. in the Alumni room of MacLean Hall. All members were present except Ole Sande, the president. Superintendent Dahl of Glynndon, the vice president, presided at the meeting. Plans for landscaping the alumni property on 12th street and 3th avenue were approved. They voted to have the Alumni Dinner and Annual on June 4. The dinner will be held in Comstock Hall, with an alumni meeting after the dinner. Miss Rainey will be honored at this occasion.

WHAT AMERICANS READ

That best sellers are not necessarily works of art is simply illustrated by the list of the twenty best sellers since 1875 arranged according to sale figures as follows:

1. "In His Steps," by Charles Monroe Sheldon.
2. "Freckles," by Gene Stratton Porter.
3. "Ben Hur," by Lew Wallace.
4. "Girl of the Limberlost," Gene Stratton Porter.
5. "The Harvester," Gene Stratton Porter.
6. "Tom Sawyer," Mark Twain.
7. "The Winning of Barbara Worth," by Harold Bell Wright.
8. "Laddie," by Gene Stratton Porter.
9. "The Virginian," Owen Wister.
10. "The Call of the Wild," Jack London.
11. "Story of the Bible," Jesse Lyman Hurlbut.
12. "The Trail of the Lonesome Pine," John Fox.
13. "David Harum," Edward Noyes Westcott.
14. "The Little Shepherd of Kingdom Come," John Fox.
15. "Five Little Peppers and How They Grew," Margaret Sidney.
16. "Huckleberry Finn," Mark Twain.
17. "Pollyanna," Eleanor Stewart.
18. "Black Beauty," Anna Sewell.
19. "Treasure Island," Robert Louis Stevenson.
20. "Tilby," George Du Maurier.

Willie Tattle

Don't be surprised if you read in the papers about our own Jim McLeary taking the measure of his rival, Fritz Hanson, at the University of North Dakota this week in the track meet up there.

It looks as if things are on the up and up for Lois McNair.

One would think that Evard Serbin was the star reporter for the MiSTiC the way he hangs around the office. Wonder why?

Are those blonde nemeses, Song and Helm, giving the week-enders at Detroit Lakes a treat? Well, that is the current opinion.

At the showing of the motion picture, "Hold Your Man," we noticed Floris Hammes and Helen Quandt there— Why, girls, why?

What is Jack Johnston always doing carrying that bottle around? Pardon me. I was just informed he has a mania for drinking milk.

Freshman Limericks

The Freshman MiSTiC edition Has been held as quite a tradition,
But if interest does stop,
It is liable to stop,
And this custom won't have reputation.

There was a young man named Bill Wallace,
Who went out to play kitten ballus;
He got hit in the chin,
He got hit on the shin,
Now he looks to the women for solace.

Have you ever seen Lois McNair?
She likes to look up in the air,
But lucky for "Stretch"
His head she can't catch,
And therefore keeps out of his hair.

One day in Reading and Speech,
His memory, Jack H. could not reach.

Instead of his setting,
He talked of forgetting,
And his speech turned out as a peach.

Jack Johnston is rather contrary,
His actions are rather quite airy.
His uncommon belch,
He's unable to squelch,
When he enters into the library.

Mona Mellum was a weekend visitor on the Campus last week. She is a two-year graduate of last year, and teaches at Ulen.

College High School Juniors And Seniors To Have Annual Prom

Good Will Theme Will Be Used For Decorations, Programs, And Entertainments

Tonight at 8:30 o'clock the Juniors and Seniors of the College High School will hold their annual prom in the high school auditorium. Kenneth Englestad and his partner, Charlotte Olson, will lead the promenade; second in line will come Thomas McCormick and Florence Iverson, his guest. General chairman of the prom is Ferdinand Elstad, while Ellen O'Day has charge of invitations. Martha Lou Price heads the program committee; Barbara Akeson will supervise the decorating, and the Junior class will have charge of clean-up. The faculty, student teachers of the Juniors and Seniors, and the alumni will be guests.

Being Good Will Day the theme will be Good Will. The effect of the decorations will be as a garden with the flags of the various countries distributed around the room, and the programs will be figures in the costumes from the various countries. Besides the promenade and dancing, the program will consist of special dances by members of the Sophomore class who have been selected on the basis of honor.

Last Saturday the girls' track team from College High School took third place in the May Festival track meet at the A. C. Valley City took first place, and Fargo took second. Lila Johnson broke the state record in the baseball throw for distance, throwing it 165 feet. Verna Thysell placed second in the discus; Ellen O'Day second in the baseball throw for accuracy; and the College High team placed second in the relay. This total was sixteen points. Other entrants were Stella and Fannie Stusiak, Muriel Wetmer and Mildred Egge.

Commencement exercises will be held for high school graduates on June 1 in the Weld Hall Auditorium. The exercises will be in the form of a play written in form of "Everyman" by Miss Hawkinson, with the help of Miss Frick. Barbara Akeson and Ted Winkquist will have the speaking parts and will represent the students. The Vincent Oss Memorial Award, along with the other awards, will be presented at various times throughout the program.

The Fargo-Moorhead Good Will Club known this year as the Forum, will be guests of the International Relations Club Wednesday, May 16, in the College High auditorium.

Dragon Track Team Defeated By Mayville In Practice Meet Here

Wilbur Bailey Annexes High Scoring Honors For Dragon Tracksters

Although taking five first places to Mayville's four, the Moorhead tracksters did not have enough points to take first place in the practice meet held on Memorial Field last Saturday, Mayville taking the meet with 76 points to 54 for M. S. T. C. Of the other teams entered, Wahpeton placed third with 30 points, and Bemidji fourth with 11. Several trackmen from the A. C. also participated, Anderson being the only one to score, with 13 points.

McLearie took the century dash in 10.3, running against a head wind, after the first heats had been run at distances of 105 yards, due to an error in regard to the finish line. Rife of Wahpeton placed second, followed by George Moore and Milton Hollister of the Dragons.

In the half-mile run, Harris carried off the honors, winning easily from Davis of Bemidji. Moore came through to win a thrilling battle in the 440-yard dash. Lundberg placed second, while the Mayville tracksters took the last two places. In the 220-yard dash Hollister took second, Rife of Wahpeton breaking the tape first. Joe Edlund easily captured pole vaulting honors and was not pushed, winning with a leap of ten feet, six inches. Matson tied for second place with O'Hare of Mayville. In the discus throw Bailey took first, and he also placed second in the javelin throw.

Coach Nemzek's relay team took the honors in the half-mile run and came within two seconds of the conference record for this event. Hollister overtook his man and gained a lead which was not lost during the run, Moore bringing in the baton after McLearie and Lundberg had carried it a quarter of the way. The time was 1:36.6.

Swartz of Mayville was high joint man with 14 points, taking firsts in the high jump and broad jump and second in the discus. Anderson of the A. C. held second with 13 points, and Torsen of Mayville third with eleven. Bailey held scoring honors for the M. S. T. C. team with nine points, followed by Moore and Harris with eight each.

Dragon Tennis Team Very Impressive In Opening Matches Of Year

Love game—advantage in—net ball—and what have you, are again enlightening the ears of the local student body. Of course, you know what it is all about; one of the foremost of all spring sports again is making itself felt at the local Teachers College—tennis.

Last Saturday the Dragon Tennis team opened its current intercollegiate season by decisively outstroking their Jamestown rivals, four matches to one. This duplicated the score of the matches played the previous year at Jamestown. The matches played at the Oak Grove courts proved very interesting. Alwin Cocking, playing number 1 position, opened the matches by defeating Al Schauer, 6-3, 5-7, 6-2.

Edward Eastman, playing number 2, fought valiantly but went down to a 6-3, 6-2 defeat at the hands of Peterson. Then Herbie Lange, displaying a superb brand of ball, defeated Rosholt, Jimmie star, 6-1, 5-7, 6-0. Stan Swenson concluded the singles matches by polishing off Strandness, 6-4, 6-3. Cocking and Eastman then combined their driving games to blast through Rosholt and Strandness, 6-4, 6-3 in the doubles.

The Dragon team this year shows promise of developing into one of the strongest teams in the Conference. A series of matches have been planned with Concordia and a very favorable showing is expected to be made when the local boys journey to St. Cloud to partake in the Northern Teachers Conference tournament.

Fifty-four instructors at the University of Iowa have served on the faculty of that institution for more than 20 years.

Good Will Stressed By National Radio Program

Good Will Day is today and, between 1:30 and 2:15 p. m., under the facilities of the National Broadcasting System, a Good Will program will be broadcast. At this time messages will be sent around the world by children of all countries.

In 1906, Dr. Elmer Ellsworth Brown, then United States Commissioner of Education, said that he thought a day should be set aside each year and observed as Good Will Day. His message read in part: "It is particularly desirable that the celebration of this anniversary day, an effort should be made to promote an insight into the true aims and aspirations of our own nation and of other nations with whom we are to work together in the making of a higher world civilization."

On Wednesday, Dr. C. A. Duniway, head of the history department of Carleton College, was here in the interest of good will. His visit was sponsored by the International Relations Club. At 10 a. m. he spoke at chapel and at 6:15 p. m. he spoke at the Schoolmasters Study Club.

President and Mrs. MacLean, Miss Tainter, Mrs. Tainter, Miss Jones, Mrs. Durboraw, Miss Dahl, and Miss Lommen were guests at the home of Miss Delia Peterson and parents at Wheaton, Minn.
